

NIDE Seal of Excellence Program

FROM: Joshua J. Freitas, Ph.D.(c), M.Ed., BC-DEd, et al.
National Institute for Dementia Education
Chief Education Officer & Chair of the Board
(e) jfreitas@nid.education | (w) www.nid.education

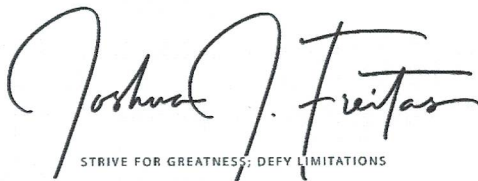

TO: Lori La Bey | Alzheimer's Speaks

As part of the National Institute for Dementia Education's mission, our Standard of Excellence Council reviews and nominates organizations that exhibit standards of excellence in their program, product, or service offerings. We are proud to inform you that your organization has been chosen and we would like to endorse you for your ongoing commitment to dementia education and advocacy.

With your permission, we would like to showcase your organization on our website and send a press release to our network about the work you do. The NIDE Seal of Excellence program provides the general public with resources, tools, and services that may improve quality of life for those with dementia as well as their caregivers.

Once again, congratulations! This letter serves as your Seal of Excellence.

Sincerely,

STRIVE FOR GREATNESS; DEFY LIMITATIONS

Our Mission

To enhance the quality of life for those with dementia through education, collaboration, and advocacy.
