

When In Doubt

When the Doubter`s Doubt, and the Banner`s Ban,
I stand even taller and shout "I CAN!"
When all seems lost and I'm so low,
All my friends shout "Go Norrms Go!!
I will stand firm and stand tall,
When my enemies come to call,
Every one of you my friends,
You are my hope which never ends,
In every breath, I do take,
A lasting friendship, I try to make,
So my friends, from me to you,
Thank you ALL, for ALL you do
