

One Moment In Time

One moment in time, a moment so pure,
When they announce "WE HAVE A CURE"
What a moment that will be,
A joyous day for all to see,
No more dementia, no more pain,
No more to lose, so much to gain,
Tears will flow, but not of sorrow,
A wonderful day, a brand new tomorrow,
Have faith my friends, one day soon,
There will be no more dancing, to Dementia's tune,
We will stand, heads held high,
And no more tears we will cry

Best wishes, Norrms and family xxxxxx
