# I'm Sorry

*by Ciaara Abke*

I see you as my granny  
You see me as a stranger  
My eyes turn to you with love  
Your eyes turn to me in confusion  
I've known you all my life  
And you've only known me for some  
I say your name  
But you can't recall mine  
My love for you is endless  
But yours is imprisoned  
I'm sorry
